Valued Friends and Investors

Founded in 1919, our national Junior Achievement organization is proudly celebrating its 100th Anniversary this upcoming year and we are just as committed today to ensuring our students are ready for their futures as we were a century ago. You will see that legacy demonstrated across media channels as we launch a new celebratory campaign – 100 years, 100% ready. Thanks to our volunteers, donors, educators and alumni, we have successfully empowered students to manage their finances and compete in the workforce for the last 100 years and we cannot wait for the continued journey with you.

Sandy L. Daffé
President,
Junior Achievement of Chicago

Kicking off our 79th year locally, JA of Chicago is celebrating our own milestones. **This year, we reached a record high 600,222 students in 28,936 classrooms!** This incredible outreach was due to the commitment of nearly 14,000 volunteers making a true impact on students. In fact, 1 in 5 JA students go into the same career field as their volunteer and 1 in 3 JA students credit JA for influencing their career decision. Local educators also feel strongly about the positive difference JA is making in the lives of their students, with 95% agreeing that JA volunteers serve as role models for their students.

Recently named “Organization of the Year” by the Institute of Financial Literacy, we are excited to deepen our impact in 2019 through our new JA Work and Career Readiness Pathway. This initiative will provide students with the skills and knowledge needed to advance in their future career path. The Pathway provides an avenue for students to develop a clear understanding of the courses they need to take in high school and helps them explore careers they might not have otherwise considered.

In a time when public funding for education is under pressure, JA’s role and value is increasing. Our programs are effective and engaging, but it is our volunteers and supporters that truly bring our programs to life. Our schools depend on Junior Achievement to prepare their students for the workforce and your ongoing support will enable us to continue to have a life changing impact on so many young lives.

Junior Achievement realizes its mission by providing experiences that introduce young people to the three pillars of success: **FINANCIAL LITERACY, WORK READINESS, and ENTREPRENEURSHIP.**

Our programs are unique to other learning resources because they provide students with progressive learning concepts from one grade level to the next. Many of our programs are “blended” and incorporate online digital media while still being led by a classroom volunteer!

Whole School Partners

The JA Whole School Program allows companies to adopt an entire school in their community. Every student at the school benefits with JA's sequential programs, while company employees have the opportunity to develop a special bond with the community they serve.

JA of Chicago piloted the Whole School Program in 1993 and it has grown to 635 Whole Schools this year. The program allows schools to have JA programs year after year, benefiting the students with sequential programming. The Whole School Partners listed in the following pages made significant financial and volunteer contributions during the 2017-2018 school year, enabling JA to provide students with the tools they need to build their dreams.

JA High School Scholarships

Each year, JA gives thousands of dollars in scholarships and awards to exceptional students who have participated in JA programs. This year, Junior Achievement high school seniors received nearly \$200,000 in scholarships thanks to the many friends in the business, professional and educational communities.

The top award, the Colonel Henry Crown Scholarship, provided four students with \$40,000 over the course of four years at an accredited college, and includes a paid summer internship at a Henry Crown affiliated company.

Colonel Henry Crown Scholarship Winners:

- Zafiro Aguilar, Joliet Central High School
- Aristeo Martinez, Phoenix Military Academy
- Lucia Torres Perez, Eric Solorio Academy High School
- Illiana Sughayar, Aqsa School

More than 1,300 schools and community organizations throughout the Chicago area participated in one or more of JA's elementary, middle, and high school programs.

From the JA Company Program, I realized what leadership really is. It is not about the work you do, or about standing in front of a podium. It is about engaging your team and sharing your vision with them.

Golf Outing

Junior Achievement's Golf Outing was held at Cog Hill Golf & Country Club and included foursomes on the premier Dubsdread courses. A golf clinic with the PGA TOUR's Stuart Appleby was featured at last year's event and James Hahn of the PGA TOUR joined us this year. A special thank you to our entire Golf Committee for their hard work to raise over \$370,000 for the fiscal 2018 event.

Chicago Business Hall of Fame

Thursday, October 4, 2018 at the Chicago History Museum

The Chicago Business Hall of Fame honors the incredible life stories of business leaders who have provided for the Chicago community and serve as exceptional role models for today's youth. The event was established in 1983 to honor the champions of free enterprise and to benefit the work of Junior Achievement. The Executive Committee of Junior Achievement of Chicago's Board of Directors reviews all nominees and a Blue Ribbon Panel consisting of former Laureates makes the final selections.

Mary Dillon
CHIEF EXECUTIVE OFFICER
Ulta Beauty

The possibilities are beautiful with Mary Dillon as CEO of Ulta Beauty, achieving record sales and earnings, creating thousands of jobs and establishing the Ulta Beauty Charitable Foundation. The Chicago native and mother of four was named Fortune's #5 Business Person of the Year in 2017 and to Institutional Investor's 2018 All-American Executive Team — the only woman ranked #1 in her industry. A well-respected business and philanthropic leader, Mary serves on the Starbucks and Save the Children Board of Directors.

David W. Nelms
CHAIRMAN & CEO
Discover Financial Services

Nelms led Discover for 20 years, transforming the company from being primarily a domestic credit card company into a leading U.S. direct bank and the world's third-largest payments network. As one of the longest tenured CEOs in the financial services industry, Nelms's integrity is demonstrated by his business, civic and philanthropic leadership. He has championed financial literacy, helping create Discover's Pathway to Financial Success program that brought free financial education into classrooms and advocating for JA, both as a board member and volunteer. He has served on the boards of directors of the Executives Club of Chicago, the Federal Reserve Bank of Chicago, and the Financial Services Roundtable.

Frederick H. Waddell
CHAIRMAN
Northern Trust

Frederick H. Waddell is Chairman of the Board of Northern Trust Corporation and former Chief Executive Officer. Since joining Northern Trust in 1975, Mr. Waddell has held leadership positions in commercial banking, strategic planning and Wealth Management. In 2003, he became head of the Corporate & Institutional Services business unit and, in 2006, was named President and Chief Operating Officer of Northern Trust. Mr. Waddell served as Chief Executive Officer from 2008 to 2017, and was named Chairman in 2009. Mr. Waddell is a board member of AbbVie, IBM, the Art Institute of Chicago, The Chicago Council on Global Affairs, Chicago Symphony Orchestra, Chicago Urban League, Commercial Club of Chicago, the International Monetary Conference, Northwestern University, Northwestern Memorial Hospital, Kellogg School of Management and the United Way of Metropolitan Chicago.
