#### **Independent Auditor's Report**

Board of Directors Junior Achievement of Chicago

#### **Opinion**

We have audited the financial statements of Junior Achievement of Chicago, which comprise the statements of financial position as of June 30, 2022 and 2021, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Junior Achievement of Chicago as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Junior Achievement of Chicago and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Junior Achievement of Chicago's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Junior Achievement of Chicago's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about Junior Achievement of Chicago's ability to continue as a going concern
  for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control–related matters that we identified during the audit.

#### Note 1. Nature of Organization and Significant Accounting Policies

Junior Achievement of Chicago is a nonprofit organization which educates students, from kindergarten through 12<sup>th</sup> grade, about workforce readiness, entrepreneurship and financial literacy through experiential, hands-on programs. Junior Achievement programs help prepare young people for the real world by showing them how to generate wealth and effectively manage it, how to create jobs which make their communities more robust, and how to apply entrepreneurial thinking to the workplace. Students put these lessons into action and learn the value of contributing to their communities. Junior Achievement of Chicago's headquarters is in downtown Chicago, Illinois, and services 12 counties in the Chicagoland area including Northwest Indiana. Junior Achievement of Chicago is affiliated with Junior Achievement USA® (JA USA), the U.S. national organization of all Junior Achievement offices in the United States of America.

A summary of significant accounting policies follows.

**Basis of presentation:** Junior Achievement of Chicago's financial statements have been prepared to present balances and transactions classified in accordance with the existence or absence of donor-imposed restrictions. Net assets and related activity are classified into the following net asset categories, based on the existence or absence of donor-imposed restrictions, as follows:

**Without donor restrictions:** Net assets that are not subject to donor-imposed restrictions, including Board-designated net assets. These include amounts that have been designated by the Board of Directors as an endowment, but which can be released for program operations upon the direction of the Board.

**With donor restrictions:** Net assets subject to donor-imposed restrictions carry restrictions that expire upon the passing of a prescribed period or upon the occurrence of a stated event as specified by the donor. Also included in this category are net assets subject to donor-directed restrictions to be maintained in perpetuity by Junior Achievement of Chicago. Items that affect this net asset category include gifts wherein donors stipulate that the corpus be held in perpetuity (primarily gifts for endowment) and only the income be made available for scholarships.

Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or law. Expiration of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between applicable classes of net assets. Contributions received with donor-imposed restrictions which are met within the same year are recorded as revenue without donor restrictions.

**Accounting policies:** Junior Achievement of Chicago follows accounting standards established by the Financial Accounting Standards Board (FASB) as applicable to nonprofit organizations to ensure consistent reporting of financial position, results of activities and cash flows. References to generally accepted accounting principles in these disclosures are to the FASB Accounting Standards Codification, sometimes referred to as the Codification or ASC.

**Use of estimates:** The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Notes to Financial Statements**

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

**Revenue recognition:** Contributions, including unconditional pledges, are recognized in the period received. Conditional pledges are not recognized until the conditions on which they depend are substantially met.

Contributions of assets other than cash are recorded at estimated fair value at date of gift.

**Special events and deferred revenue:** Amounts received from sponsors and others in connection with future events are considered to have aspects of both contingent contributions and outstanding performance obligations. These amounts are initially recorded as deferred revenue and then recognized as revenue at the point in time in which the event occurs. Performance obligations outstanding at June 30, 2022 and 2021, amount to \$397,175 and \$668,979, respectively, and are reported as deferred revenue on the statements of financial position.

**Operations:** Operating results in the statements of activities reflect all transactions increasing or decreasing net assets without donor restrictions except those items associated primarily with long-term investments.

Operating expenses are presented in the statements of activities on a functional basis. The statements of functional expenses present the natural classification detail of expenses by function. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salary, payroll taxes and benefits which are allocated on the basis of estimates of time and effort. Rent, heat and electricity, maintenance and cleaning, telephone, insurance, computer programing and depreciation are allocated by department headcounts.

**Contributed services and donated facilities:** A substantial number of unpaid volunteers have made contributions of time to assist in development and fundraising activities and program services. These services do not meet the criteria for inclusion in the financial statements due to not requiring specialized skills. Contributed professional services and donated facilities meeting the criteria for inclusion in the financial statements, if any, are recorded at their estimated fair value.

**Cash and cash equivalents:** Cash and cash equivalents include cash on hand, cash on demand and money market funds. Junior Achievement of Chicago maintains its cash in bank accounts which, at times, may exceed federally insured limits. Junior Achievement of Chicago has not experienced any losses in such accounts.

**Investments:** Investments are stated at fair value. The fair values of investments are generally determined based on quoted market prices. Changes in fair value are recorded as realized and unrealized gains (losses) in the statements of activities.

Junior Achievement of Chicago's investment portfolio is subject to various risks, such as market risk. Because of these risks, changes in the fair value of the investments may occur, and such changes could materially affect Junior Achievement of Chicago's financial statements.

**Pledges receivable:** Pledges receivable consist of amounts unconditionally pledged but not received. An allowance for receivables is provided based upon management's judgment including such factors as prior collection history, type of contribution and nature of fundraising activity. Management considers the receivables recorded at June 30, 2022 and 2021, to be fully collectible.

#### **Notes to Financial Statements**

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

**Equipment:** Equipment purchases are recorded at cost. Donated assets are recorded at fair value, as of the date of contribution. The assets are depreciated over the estimated useful lives of the respective assets on a straight-line basis as follows: automobiles (five years) and office equipment and furniture (three years).

The cost and related accumulated depreciation are removed from the accounts upon retirement or other disposition. Expenditures for maintenance and repairs are charged to expense as incurred.

**Endowments:** The Board of Directors has established an endowment fund with the objective of ensuring the longevity of Junior Achievement of Chicago. The endowment fund includes donor-restricted and Board-designated endowment funds.

Contributions to the endowment fund, investment earnings on endowment fund assets and any expenses incurred related to the endowment fund are presented as nonoperating transactions in the statements of activities in order to segregate the change in the Board-designated endowment funds from the results of general operations.

**Recent accounting pronouncement:** In 2016, the FASB issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, Leases. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than twelve months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. The new standard is effective for Junior Achievement of Chicago for the fiscal year ending June 30, 2023.

Junior Achievement of Chicago is currently evaluating the impact of the adoption of this standard on its financial statements.

**Subsequent events:** Junior Achievement of Chicago has evaluated subsequent events for potential recognition and/or disclosure through October 26, 2022, the date these financial statements were available to be issued.

#### Note 5. Fair Value Disclosures

The Fair Value Measurements and Disclosures Topic of the Codification defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined under the Topic as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy under the Topic are described below:

- **Level 1:** Unadjusted quoted prices in active markets for identical assets or liabilities that Junior Achievement of Chicago has the ability to access at the measurement date.
- **Level 2:** Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, or quoted prices in active markets.
- **Level 3:** Inputs are unobservable for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the best information in the circumstances and may require significant management judgment or estimation.

For the years ended June 30, 2022 and 2021, the application of valuation techniques applied to similar assets and liabilities has been consistent. In determining the appropriate levels, Junior Achievement of Chicago performs a detailed analysis of the assets and liabilities that are subject to the Topic.

#### Note 5. Fair Value Disclosures (Continued)

**Investments in money market funds, fixed income and equity securities:** Valued at the last reported sales price on the day of valuation on a national securities exchange; other securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are stated at the last quoted bid price.

**Investments in alternative investments:** The fair value of certain funds are based upon the net asset value (NAV) of units of the fund. The NAV, as provided by the investment manager, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the fund less its liabilities.

The following tables summarize Junior Achievement of Chicago's investments accounted for at fair value as of June 30, 2022 and 2021, using the fair value hierarchy:

Effective January 1, 2021, Junior Achievement of Chicago made a non-discretionary non-matching contribution to the plan on behalf of all eligible employees equal to 5% of their eligible pay. #### Note 9. Endowment Funds

Junior Achievement of Chicago's endowment includes both donor-restricted and Board-designated funds. Net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The State of Illinois follows the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA differs from laws previously in place in a few key areas. It eliminates the historic dollar value rule with respect to endowment fund spending, it updates the prudence standard for the management and investment of charitable funds and it amends the provisions governing the release and modification of restrictions on charitable funds. Junior Achievement of Chicago's endowment funds are subject to UPMIFA.

Junior Achievement of Chicago's endowment net asset composition by type of fund is as follows for the years ended June 30, 2022 and 2021:

#### Note 9. Endowment Funds (Continued)

**Return objectives and risk parameters:** Junior Achievement of Chicago follows investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds as well as Board-designated funds. Under the investment policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that over time exceed the total return of the various benchmark indices in the investment policy guidelines, while assuming an appropriate level of investment risk.

**Strategies employed for achieving objectives:** To satisfy its long-term rate-of-return objectives, Junior Achievement of Chicago relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Junior Achievement of Chicago targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

**Spending policy:** The Board of Directors budgets annually a percentage of the balance of the endowment fund to be used for program operations. Due to positive financial operating outcomes for the years ended June 30, 2022 and June 30, 2021, the Board did not appropriate any amounts from the endowment fund. In contrast, the Board of Directors designated approximately \$350,000 and \$400,000 to the endowment from operations for the years ended June 30, 2022 and 2021, respectively.
