91% of educators agree that JA volunteers serve as **ROLE MODELS** for their students.

Valued FRIENDS and INVESTORS

We are excited to share the great work Junior Achievement of Chicago is doing in our schools and communities. For 77 years, Junior Achievement has been the leading non-profit organization that brings entrepreneurship lessons to life in inner city and suburban classrooms across Chicagoland.

As you once benefited from a mentor, JA harnesses the power of over 14,000 volunteers to deliver our curriculum. Incorporating their own education and career background into the lessons, JA volunteers bring the real world to life and open students' eyes to their potential success. **This year, JA reached 572,167 students in 12 area counties.**

JA brings the equality of opportunity and the spirit of entrepreneurship to students of all backgrounds — 67% of our students come from low-to-moderate income homes. From Mundelein to Mokena, Elburn to the Englewood neighborhood, and Glen Ellyn to Gary, Indiana, we are working to deepen our impact and show our students the possibilities for their future. As a recent JA alumnus, Nadia Estrada, shared with us,

“Being a first-generation student and residing on the South Side of Chicago, I initially did not have a clear vision for my future and wasn’t always given the necessary tools needed to achieve this vision. After having been in JA, I gained the knowledge and assistance needed to create and pursue my vision. I truly believe that without JA, attending college would have only been a dream instead of reality for me. I am forever grateful to JA.”

With a \$7.5 million operating budget, we are entirely funded by businesses, foundations and individuals — we do not receive government or United Way funding. Our generous donors allow us to bring JA's life-changing programming to students like Nadia.

Our programs are at a record-level demand with one in two Chicago Public Schools students receiving JA annually. As you will see throughout this annual report, that demand is supported by our evaluation results.

We would like to extend our thanks to all of our supporters that volunteered, invited JA into your school, or donated to grow our programming. Your support is helping to build the next great generation of Chicago's workforce.

FINANCIAL LITERACY

WORK READINESS

ENTREPRENEURSHIP

EMPOWERING young people to own their economic success®

75TH ANNIVERSARY UPDATE ON DONOR INVESTMENTS

In 2015, we raised an unprecedented \$7.5 million towards our special 75th Anniversary Campaign.

The proceeds help fund JA's growing resource of non-traditional volunteers, such as college students, high school students, veterans, retirees, parent groups, and volunteers from the community and other organizations. Through the leadership of the 75th Anniversary Campaign Co-Chairs Susan Crown, W. James Farrell, and John D. Nichols, our successful endowment campaign will fund these resources in perpetuity.

We are excited to report that these volunteer resources continue to grow and allow JA to expand our programming to new schools and organizations, deepen our impact for our educational partners, and supply summer school programming to the Chicago Public Schools.

We thank all of the donors that made our 75th Anniversary Campaign a great success. Your contribution has and will continue to bring JA programming to thousands of students across the Chicago area.

STRATEGIC PLAN 2020

On the heels of our 75th Anniversary in 2015, our board approved a five-year strategic plan in the spring of 2016. This plan was designed to lead us to our 80th Anniversary, approaching in 2020. Over the past year, we have made great strides in the key areas of program impact and fundraising.

With the help of DePaul University, we are currently evaluating our fastest growing program, JA Reverse Job Shadow. This program, pioneered by JA of Chicago, is an innovation to the JA Job Shadow program. By bringing business professionals to the schools with this program, we are making career education more accessible to our students.

The strategic plan also focuses on diversifying our funding streams. Oliver Wyman provided research and recommendations on Chicago-area companies that are not currently involved with JA. We would like to thank our board member Jim Fields of Oliver Wyman for spearheading this initiative.

Additionally, Fifth Third Bank and our Board Member Bob Sullivan hosted our first of several CRA (Community Reinvestment Act) breakfasts. These events brought together managers from dozens of Chicago-area banks to learn how collaborating with JA can help them reach their CRA goals. The event has been replicated in our local divisions and has been successful in creating strong partnerships between JA and area financial institutions.

THE MCCORMICK FOUNDATION INVESTS IN JA STUDENTS

The Robert R. McCormick Foundation has been a generous sponsor of Junior Achievement of Chicago for many years and has contributed over \$1 million to grow our JROTC High School Heroes program.

Most recently, JA was awarded a \$250,000 grant over two years to expand our JROTC special initiative to reach over 235 classrooms in both 2016 and 2017. The recipients of the programs are elementary school students in at-risk communities in Chicago and Joliet. In year one of this two-year grant, this special initiative reached 441 classrooms, impacting 10,487 elementary school students. This outreach was possible because of the volunteerism and leadership of JROTC students.

Additionally, an important aspect of this grant was to build a forum to meaningfully engage veterans groups. We invited veterans to be involved in two ways; either as classroom volunteers or as presenters to the JROTC students. This spring, we made great strides in engaging veterans to speak with the JROTC students and volunteer in elementary classrooms.

As an additional key aspect of this grant, cadets who submitted essays in the spring of 2017 were eligible to win one of ten \$1,000 scholarships provided by the McCormick Foundation as part of the \$250,000 grant. These scholarships were awarded at our May 24, 2017 board meeting.

COLONEL HENRY CROWN SCHOLARSHIPS MAKE A DIFFERENCE

Each year, JA gives thousands of dollars in scholarships and awards to exceptional students who have participated in JA programs. This year, Junior Achievement high school seniors received nearly \$200,000 in scholarships thanks to the many friends in the business, professional and educational communities. With their support & belief in higher education, our students are provided with a terrific opportunity at future success.

The top award, the Colonel Henry Crown Scholarship, provides four students with \$40,000 over the course of four years at an accredited college, and includes a paid summer internship at a Henry Crown affiliated company.

Elementary SCHOOL PROGRAMS

Junior Achievement's unique delivery system provides the training, materials, and support necessary to bolster the chances for student success. The impact is measurable, too. Students who participate in Junior Achievement programs demonstrate a significant understanding of economics and business concepts.

JA's elementary school programs are the foundation of our K-12 curricula. Six sequential themes, each with five hands-on activities, as well as an after-school experience, work to change students' lives by helping them understand business and economics.

PROGRAMS THAT BUILD UPON EACH OTHER

Sequential activities build on lessons from each preceding grade and prepare students for secondary and lifelong learning.

Afterschool: JA More Than Money®
teaches students about earning, spending, sharing, and saving money.

Middle SCHOOL PROGRAMS

The middle grades programs build on concepts the students learned in Junior Achievement's elementary school program and help teens make difficult decisions about how to best prepare for their educational and professional future. The programs supplement standard social studies curricula and develop communication skills that are essential to success in the business world.

Our middle school programs correlate to various national, state, and district educational standards.

JA Economics for Success®

gives students the information needed to build strong personal finances, a cornerstone to a happy, secure life. Students learn the importance of exploring career options based on their skills, interests, and values.

JA Finance Park Virtual®

introduces students to personal financial planning and career exploration.

JA Global Marketplace®

takes students on a spin around the world. The program helps students understand how goods flow through various economies and the effect globalization has on their lives.

JA It's My Business®

encourages students to use critical thinking to learn entrepreneurial skills. By examining the characteristics of successful entrepreneurs, students learn that a belief in one's self can make positive things happen in life.

JA It's My Future®

provides practical information about preparing for the working world. Students learn about career clusters, high-growth jobs, career planning, and creating a personal brand.

High School SCHOOL PROGRAMS

As high school students begin to position themselves for their future, there are many unanswered questions about what lies ahead. Junior Achievement's high school programs help students make informed, intelligent decisions about their future, and foster skills that will be highly useful in the business world.

Like our elementary and middle school programs, our high school programs help prepare young people for the real world by showing them how to generate wealth and effectively manage it, how to create jobs which make their communities more robust, and how to apply entrepreneurial thinking to the workplace. Students put these lessons into action and learn the value of contributing to their communities.

Programs Offered:

JA Be Entrepreneurial®

challenges students, through interactive classroom activities, to start their own entrepreneurial venture.

JA Career Success™

equips students with the knowledge required to get and keep a job in high-growth industries.

JA Company Program®

unlocks the innate ability in students to fill a need or solve a problem in their community by launching a business venture.

JA Economics®

explores the basic characteristics of the U.S. economic system.

JA Exploring Economics®

uses hands-on activities to explain complex economic concepts.

JA Finance Park Virtual®

introduces students to personal financial planning and career exploration.

JA Job Shadow™

prepares students to be entrepreneurial thinkers in their approach to work.

JA Personal Finance®

explores the fundamental elements of personal finances.

JA Reverse Job Shadow

brings professionals into the classroom to share their career journey.

JA Titan®

allows students to operate a virtual company through a web-based simulation.

JA You're Hired!

is a one-day challenge where students compete in networking and team-building exercises.

Whole School PARTNERS

A Whole School Partnership is unique because companies can adopt an entire school in the neighborhood where they do business. Every student at a chosen school benefits from JA's programs, while company employees have the opportunity to develop a special bond with the community they serve.

JA of Chicago piloted the Whole School Program in 1993, starting with just 16 schools, and other JA areas have adopted the program. Since its inception, the program has grown dramatically. **This year, 625 Whole Schools partnered with JA in our Whole School Program.** The program allows schools to have JA programs year after year, benefiting the students with the sequential programming.

The Whole School Partners listed in the following pages made significant financial and volunteer contributions during the 2016-2017 school year, enabling JA to provide an entire school of students with the tools they need to build their dreams.

Requirements for Junior Achievement's Whole School Partnership

A financial investment to cover all program materials, training, supplies, staffing, and evaluation needed to carry out the programs.

A commitment to provide the necessary volunteers to teach the JA curriculum in every classroom.

The appointment of a liaison from your organization to work with JA staff representatives to coordinate the activities between your organization and the school.

The following high schools participated in the JA High School Heroes program. The HSH program places student volunteers in JA elementary classrooms. HSH volunteers deliver the programs effectively and with great impact to make a positive difference in the lives of the kindergarten through 3rd grade students:

Aspira High School, Chicago
 Carver Military Academy, Chicago
 Chicago Technical Academy, Chicago
 CICS ChicagoQuest, Chicago
 Roberto Clemente Community Academy High School, Chicago
 Marie S. Curie Metro High School, Chicago
 Foreman High School, Chicago
 Gurdon S. Hubbard High School, Chicago
 Joliet Central High School, Joliet
 Joliet West High School, Joliet
 William Jones College Preparatory High School, Chicago
 Kelly High School, Chicago
 Morton East High School, Cicero
 Morton West High School, Berwyn
 Prosser Career Academy, Chicago
 Proviso East High School, Maywood
 Proviso West High School, Hillside
 Queen of Peace High School, Burbank
 Al Raby High School, Chicago
 Simeon Career Academy, Chicago
 Charles P. Steinmetz College Preparatory High School, Chicago
 Thornton Township High School, Harvey
 Truman Middle College, Chicago
 West Leyden High School, Franklin Park
 West Town Academy High School, Chicago

Classroom sponsorships from the following donors (and many others) provided financial support for volunteers and helped to fund Junior Achievement's Whole School Program:

Junior Achievement Events

Junior Achievement's four signature events throughout the year bring together thousands of business professionals to raise money to support JA programs and raise awareness about our mission.

33RD
ANNUAL

BOWL-A-THON

Participating in a Bowl-A-Thon is a great way for companies and individuals to support students in their community, while also having fun with colleagues, friends, and family. This year, our Bowl-a-Thons raised over \$438,000.

DAY AT THE RACES

Hundreds of guests enjoyed the excitement of thoroughbred racing and the gorgeous setting of Arlington Park, while experiencing exciting first-rate service in the Sky Suite level. Special thanks to Biff Bowman of Northern Trust for serving as the event chairman. Thank you to our entire Day at the Races Committee, event sponsors, and auction donors who helped to make this such a successful event, raising \$180,000.

36TH
ANNUAL

GOLF OUTING

Junior Achievement's Golf Outing was held at Cog Hill Golf & Country Club and included foursomes on the premier Dubsread course, one of Chicago's most renowned courses. A golf clinic with the PGA TOUR's Jay Haas was featured at last year's event, and Stuart Appleby joined us this year. A special thank you to our Golf Chairman, Neal Campbell of CDW, and to the entire Golf Committee for their hard work to raise over \$370,000 for the fiscal 2017 event.

UNITED

35TH Annual Chicago Business HALL OF FAME

Wednesday, November 15, 2017 at the Chicago History Museum

The Junior Achievement Business Hall of Fame signature event honors the incredible life stories of business leaders who have contributed to the Chicago community and serve as exceptional role models for today's youth. The Junior Achievement Board of Directors established the Chicago Business Hall of Fame in 1983 to honor the champions of free enterprise and to benefit the work of Junior Achievement. The Executive Committee of Junior Achievement of Chicago's Board of Directors reviews all nominees. A Blue Ribbon Panel consisting of former Laureates makes the final selections.

BRENDA C. BARNES (POSTHUMOUS) | Former Chairman & CEO | Sara Lee Corporation

Barnes was a two-time corporate chief executive who broke barriers as a female leader. She rose through the ranks to become CEO of Pepsi, a job she famously left to spend more time with her family. As a result, Barnes became a key figure in the "Can women have it all?" debate and a hero to working moms. She rejoined the workforce seven years later to become Chairman and CEO of Sara Lee. She tragically passed away in January of 2017.

FRANK M. CLARK | Former Chairman & CEO | ComEd

Clark was the first African-American Chairman and CEO of Commonwealth Edison (ComEd) and worked for the company for 46 years. He was born and raised in Chicago, and is most well known for his passion and tireless commitment to improving the lives of its citizens. His decades of civic and philanthropic leadership is extensive, including his current appointment as the President of the Chicago Board of Education by Mayor Rahm Emanuel. He has been ranked among the 50 Most Powerful Black Executives in America by Fortune magazine in 2002, and was one of seven recipients of this year's Order of Lincoln Award, the state's highest honor for professional achievement and public service.

RAYMOND F. McCASKEY | Retired President and CEO | Health Care Service Corporation (BlueCross BlueShield)

McCaskey devoted over 32 years of service at BlueCross BlueShield of Illinois (Health Care Service Corporation). As CEO he guided the company's transition from a midsize, one state organization to the largest customer owned health insurer in the nation. BlueCross BlueShield became a leader in corporate civic responsibility and workplace diversity. After retirement, Ray continues to serve the community through participation on seven civic and charitable boards. Ray and his wife, Judy, also established a college scholarship program for inner city Chicago students.

DR. JOANNE C. SMITH | President & CEO | Shirley Ryan AbilityLab

Smith is the driving force behind the transformation of care delivery in the field of physical medicine and rehabilitation. As the President and Chief Executive Officer of the number No. 1 ranked Shirley Ryan AbilityLab (formerly the Rehabilitation Institute of Chicago), she is the visionary behind the first-ever "translational" research hospital in which clinicians, scientists, innovators and technologists work together in the same space, surrounding patients, discovering new approaches and applying (or "translating") research real time. An asset to the world, the Shirley Ryan AbilityLab advances healthcare for the benefit of faster recoveries, and even cures, disseminating discoveries to set new standards of care for all patients.

DIVISIONAL BOARDS EVENTS ENGAGE LOCAL DONORS

Our Divisional Boards of Directors act as advisory committees to deepen JA's impact in their geographic area through securing local volunteers, engaging educators, and fundraising. We would like to thank the local businesspeople, educators, and community leaders who serve on these boards for their dedication and passion for JA's work in their community. The chairs of these boards serve on JA's Area Board of Directors and are notated beginning on page 26.

Central Board Wine Event: This longstanding fundraiser features entertainment, an auction, and a wine tasting, against the scenic backdrop of the Loop from the top of a Chicago skyscraper.

DuPage County Board Fundraiser: DuPage County educators, volunteers, business leaders, and board members come together each year to celebrate the county's successful JA program outreach, network, bid on great auction items, and hear about the JA experiences of student speakers.

Northern Board Trivia Night: This fun evening challenges our guests to several rounds of trivia on various topics. Hosted at Baxter International Inc., guests enjoy competitive play and an auction to raise funds for the northern division.

Northwest Indiana Prom Night Gala: This inaugural event took guests back to their high school days with dinner, dancing, and honoring NWI Champions: the companies, school districts and colleges that make JA programming possible in Northwest Indiana.

Western Board Top Golf Event: This fundraiser brings together JA supporters for three hours of play, a dinner buffet, and networking. Guests hear from JA students about their classroom experiences while also participating in live and silent auctions.

WELLS FARGO'S JA INVESTMENT Prepares Students for Jobs

Wells Fargo & Company gave a \$100,000 donation to Junior Achievement of Chicago that helped prepare 4,600 local students for future employment. The bank's contribution, more than double its 2016 gift, supported 200 JA financial literacy, work readiness, and entrepreneurship programs in Chicago schools.

"Wells Fargo is a proud, longtime supporter of Junior Achievement's efforts in Chicago and nationwide to help make students more employable in the future," said Patrice DeCorrevont, executive vice president and division manager for Wells Fargo Government and Institutional Banking, based in Chicago.

"We invest in programs that improve educational opportunities for children."

"We are committed champions of economic empowerment in our communities and invest in programs that improve educational opportunities for children."

More than 60 Wells Fargo team members such as DeCorrevont serve on JA's area boards nationwide, including Chicago-based company executives Steve Battreall, president and CEO for Commercial Distribution Finance, and Daniel Van Aken, managing director and portfolio manager for Industrials Group. Wells Fargo team members volunteered in more than 70 Chicago classrooms in the 2016-2017 school year.

OFFICERS AND DIRECTORS

JA's Board of Directors is comprised of executives and business leaders who represent a wide range of backgrounds and professional expertise. Bringing a great wealth of wisdom, insight, and experience, this dynamic team provides a hands-on approach to positioning JA as a leader in economic education. The leadership and philanthropic efforts of the Board of Directors are at the forefront of our accomplishments and mission.

Excess of Operating Support & Revenue Over Expenses	\$ 34,305	\$ 146,033	\$ 192,353	\$ 106,828	\$ 68,573

*Current year data is extracted from the financial statements audited by RSM International. Copies of the audit are available upon request from Junior Achievement of Chicago.

Junior Achievement of Chicago was founded in 1940 and provides financial education programs at no cost to schools and students in the Chicago area. JA is a not-for-profit tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code and is a publicly supported organization as defined by Sections 170(b) (1) (A) (vi) and 509 (a) (1) of the code. Contributions to Junior Achievement of Chicago are deductible for federal income tax purposes, limited to the excess of any money contributed by the donor over the value of the goods or services received. Junior Achievement of Chicago's total net assets were \$19,242,616 for the year ending June 30, 2017.

FIRMS AND ORGANIZATIONS

Our supporters range in size from global corporations to small local businesses, but they all share the common goal of empowering Chicago area youth to own their economic success.

We sincerely thank every one of these organizations for providing JA volunteers during the 2016-2017 year.

Junior Achievement Mission Statement

To inspire and prepare young people to succeed in a global economy

Fast Facts

77 Years of empowering the future

12 Counties in Chicago and Northwest Indiana

572,167 Students reached in 2016–2017 school year

27,192 Classrooms

14,247 Volunteers

1,476 Schools

JA's THREE PILLARS

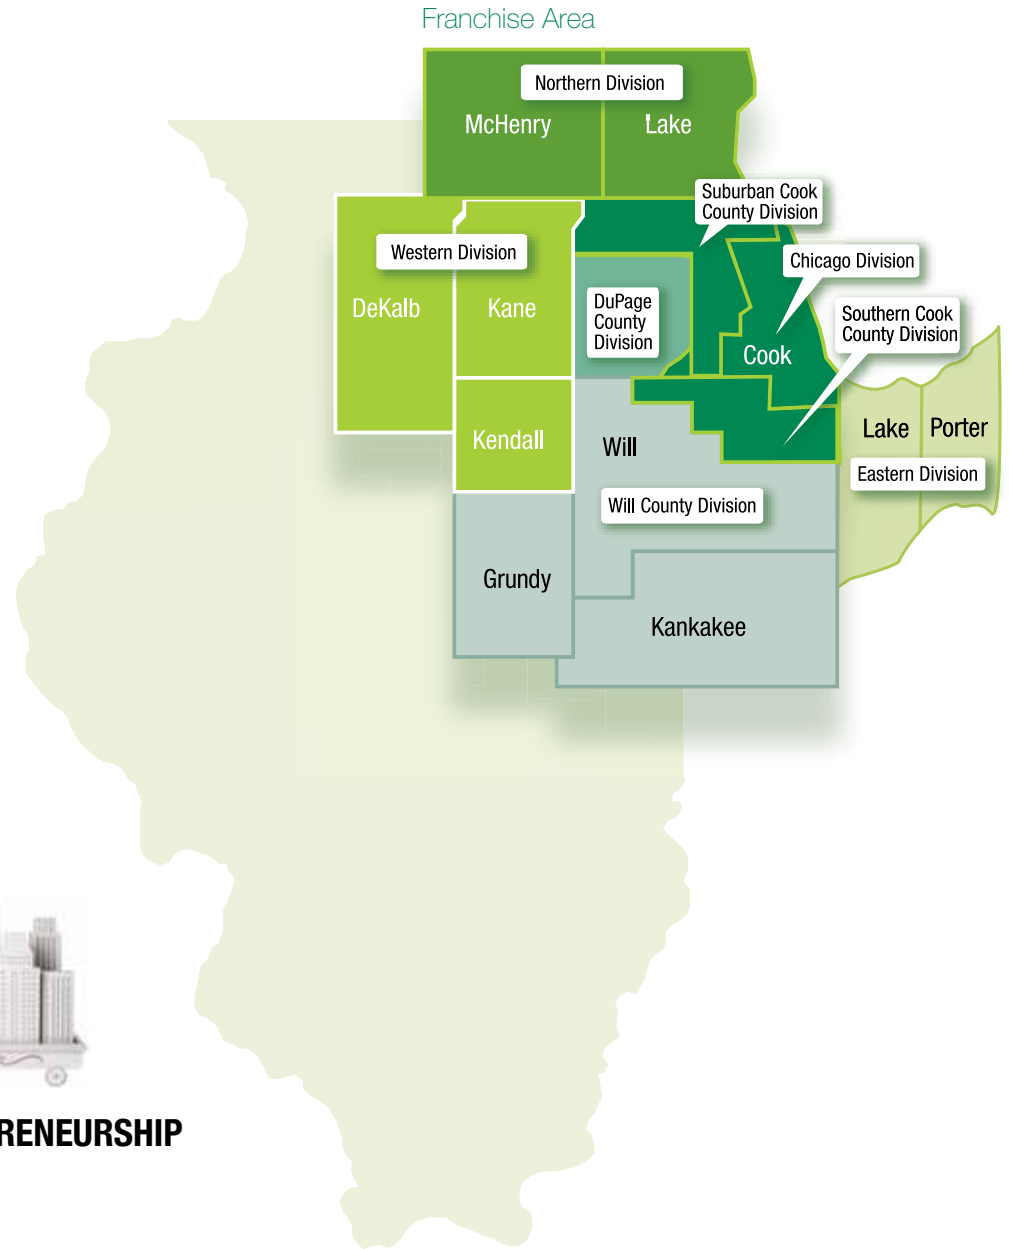

FINANCIAL LITERACY

WORK READINESS

ENTREPRENEURSHIP

Design and production services for the 2017 annual report were generously donated by SeaHaus Studio, LLC.

Printing generously donated by Allstate Insurance Company to honor the Allstate employees and agency owners who give their time to volunteer in JA classrooms.
